

FRA¹ SOURCES ON ROMANI

Programmes

Multi-Annual Roma Programme (2012-2020) - to help Member States implement the EU's Romani integration framework. FRA does this by providing robust, comparable data and insight into the situation of Romani communities, as well as the impact of efforts at improving their situation.²

Publications³

- Roma Pilot Survey – Technical report: methodology, sampling and fieldwork (published 2014)
- Analysis of FRA Romani survey results by gender (published 2013)
- Fundamental rights: challenges and achievements in 2012 (published 2013)
- The situation of Romani in 11 EU Member States - Survey results at a glance (report published in 2013)
- Selected positive initiatives - The situation of Romani EU citizens moving to and settling in other EU Member States (published in 2009)
- The situation of Romani EU citizens moving to and settling in other EU Member States (published in 2009).
- Housing conditions of Roma and Travellers in the European Union - Comparative report (published in 2009).
- Housing discrimination against Romani in selected EU Member States - An analysis of EU-MIDIS data (published 2009)
- EU-MIDIS Data in Focus Report 1: “The Roma”(published 2009)
- Consultation on FRA work on Roma and Travellers - Final consultation report (published 2009)

Country Data

These FRANET studies bring together official and unofficial quantitative and qualitative data and information available on the situation of Romani in education, housing, employment, health, poverty, rights awareness and active citizenship. The results of this work and other relevant data collection activities feed into the European Commission's annual report to the European Parliament on progress made regarding Romani integration.⁴
